sorted! 5-star luxury
entertainment at
your events!*

Here's a Breakdown of the Benefits:

Benefit 1: Marketing

FMattiello Magic performs for thousands of people each year, from birthdays and weddings to large corporate award nights.

This provides access to thousands of real people. When sponsoring FMattiello Magic, all bookings within the agreed timeframe will be performed using playing cards displaying your company/brand logo, website URL, and/or social channels on the back design of each playing card.

Thousands of single, signed playing cards are given away to thousands of people each year as souvenirs. Our audience members ask us for them and keep them for years as a memory of their amazing experience. Your details and branding on the cards put you at the forefront of this memorable experience. Adding your brand design not only creates awareness but helps to increase traffic to your website, social channels, or brand.

Thousands of people will keep a symbolic card in their wallet or purse with your company details. This is marketing.

Additional to this, our own business cards will be double sided to share your brand details on one side.

Sponsorships will also be made public via our website and social media channels linking customers to your chosen URL, Facebook, Instagram or TikTok page.

Benefit 2: Brand Reputation

FMattiello Magic has only ever received 5-star reviews. As a leading entertainer, magician, and mentalist performer in our region, we leave people in awe, and create memorable moments. Every time our audience looks at their souvenir or visits our social media pages and website, the first thing they think of is the feeling of magic and astonishment they experienced during the show. With a sponsorship, your brand is placed at the forefront of this experience. The feeling will also be associated with your brand. Our great reviews, world class service and top-notch customer care will remind them of you.

Benefit 3: Event Entertainment

Alongside great marketing and brand reputation, you will also receive three event performances of up to two hours per function per six-month sponsorship. This benefit alone is worth up to £2500!

Award winning close up magic and mind reading entertainment for your functions, or to gift to a colleague, collaborator, corporate partner, VIP customer or a charity of your choice as a part of your Corporate Social Responsibility, all at no extra cost!
